Pearson Education Limited, United Kingdom, 2012. Paperback. Condition: New. Language: English. Brand new Book. International Financial Reporting provides a current and comprehensive guide to international accounting standards. Covering both IFRS and IAS, this book adopts a user-friendly structure. By clearly explaining the theory behind each standard and then illustrating its application in worked examples, this text makes a technical subject accessible and easy to understand. This text has been written primarily for intermediate and advanced students of Financial Reporting studying an undergraduate or masters level programme. It is also appropriate for students studying for professional exams on IFRS.
